The 2014 CIBJO Congress will take place in Moscow, Russia, May 19-21, 2014, with pre-congress meetings on May 17 and May 18. The congress will be hosted by the Russian Jewellers' Guild, whose headquarters will also serve as the main congress venue.

The congress website includes the congress program, important travel information and details about the social programme, which several tours of the Russian capital and the opportunity to attend a performance by the Bolshoi Opera. Online registration forms for the congress and social programme are available, as a link to the Hotel Nikol'skaya Kempinski's booking service.

As the official venue for the meeting of the CIBJO Assembly of Delegates, the CIBJO Congress will gather in Moscow the members of national jewellery and gemstone associations from more than 40 countries and representatives of many of the industry's most important commercial bodies. The congress also serves as a forum for CIBJO's professional commissions, and is the venue at which its Diamond, Coloured Stones, Pearl, Precious Metals and Gemmological Blue Books are discussed and updated.
